Interstuhl Group has been verified as a carbon neutral company. It is confirmed that the certificate holder has compensated his verified CO₂ emissions for Scope 1 and 2, including the upstream emissions of the purchased electricity, by the above-mentioned activity in climate protection. The certificate is issued on basis of the determined Corporate Carbon Footprint by calculation. Specifications and accounting boundaries can be gathered from the test report. The validity can be verified using the certificate ID at www.certipedia.com.
